Shalom Family,

We are truly excited that you have taken opportunity to learn more regarding iCovenant Congregation Prep, New York's ONLY Specialized "Third Place" Ekklesia purposed to walk alongside parents who desire education for their children; inclusive of the Scriptures.

Rest assured, our covenant with the CREATOR to teach the unadulterated TRUTH of HIS WORD—remaining TRUE to the tenets therein, qualifies us as the BODY OF CHRIST'S first "Third Place Ekklesia, in unison with the Believer's Home (First Place Ekklesia) and Home Church (Second Place Ekklesia); ONE CLARION VOICE SPEAKING FORTH TRUTH into the HEARTS of HIS CHILDREN!

Our passion is truly teaching children to walk in unwavering obedience to the WORD; even as darkness surrounds them and peer pressure desires to confound them, like no other time in history.

Moreover, we are persuaded to NOT have our children fall victim to the statistics that state, "If child does NOT have an INCARNATE ENCOUNTER with the SET APART SPIRIT by the age of thirteen, they are more likely to become fans of the MOST HIGH, rather than LIFELONG followers of the SAVIOR!"

Frequently Asked Questions

Does ISGE mean Disciples are isolated?

Absolutely NOT! iCC Prep's diverse organized modes of instruction ensures Disciples learn ONE ALL TOGETHER.

Will Disciples become overwhelmed?

We admit placing Disciples in two-grades, three years apart seems overwhelming to adults. However, according to child development studies this learning environment is the "norm" for children; being evident in their daily interaction with family, friends, and peers.

Do Disciples take NYS Standardized Test?

NO! iCC Prep Disciples take National Standardized Test
